

Vensim® 10 Academic Order Form アカデミック版注文書

Academic pricing is available only to students and faculty of accredited educational institutions. The software may only be used for educational purposes. You will need to sign the educational acknowledgement below to have your order processed.

	Price	Maintenance Renewal
DSS	\$798	\$120/year
Professional	\$478	\$64/year
PLE Plus	\$89	

Notes: Prices include 1 year of maintenance. Documentation is electronic. [Upgrades and Maintenance](#) as well as new licenses for Vensim PLE Plus can be purchased from the Japanese distributor. Maintenance entitles you to electronic upgrades and technical support and will be extended from the current expiration date (one year of maintenance is included in the initial purchase). Maintenance may be extended up to 18 months into the future. If maintenance has lapsed for more than 6 months there is a 50% discount on prior periods required to make maintenance current.

For upgrades/maintenance renewal please include serial number
